sanctions

## Good conditions for environmental work in Sweden

- ❖ People in Sweden show a large interest and commitment to contribute to a good environment.
  
- ❖ Environmental issues are among the 5-10 most important questions in Swedish elections.

## Sweden's Environmental Objectives

- ❖ Decided by the Swedish Parliament in 1999.
- ❖ Guide environmental efforts in Sweden.
- ❖ A platform for cooperation.
- ❖ Framework for evaluation and reporting.
- ❖ The core activities at Swedish EPA are to achieve the objectives.

# ENVIRONMENTAL OBJECTIVES 环境目标

Reduced Climate Impact

减缓气候影响

Clean Air

空气清洁

Natural Acidification Only

仅有自然酸化

A Non-Toxic Environment

环境无毒性

A Protective Ozone Layer

具有保护作用的臭氧层

A Safe Radiation Environment

辐射环境安全

Zero Eutrophication

零富营养化

Flourishing Lakes & Streams

湖泊和河流生机勃勃

Good-Quality Groundwater

地下水水质良好

A Balanced Marine Environment...

海洋环境稳定

A Rich Diversity of Plant and Animal Life

动植物多样性丰富

Thriving Wetlands  
湿地繁荣

Sustainable Forests  
森林繁茂

A Varied Agricultural Landscape  
农田壮美

A Magnificent Mountain Landscape  
山河壮丽

A Good Built Environment  
人居环境优美

目标

环境

# THE GENERATIONAL GOAL.

The overall goal of Swedish environmental policy is to hand over to the next generation a society in which the major environmental problems in Sweden have been solved, without increasing environmental and health problems outside Sweden's borders.
