SSNC Global Programme

瑞典自然保护协会全球行动纲领

- Was initiated in 2005. 成立于2005年
- The Chemicals Sub-programme was added in 2008. 于2008年增加
化学品子计划

SSNC Global Programme

瑞典自然保护协会全球行动纲领

The overall goal for Swedish development collaboration support to the civil society in developing countries is to:

瑞典对发展中国家民间团体的协作支持总体目标：

- Strengthen the capacity of civil society actors, using a rights-based approach, in their roles as collective voices and organisers of services.
- **增强民间团体的能力建设，采用基于权利的方式，发挥收集民意和服务组织者的作用**
- Strengthen increased respect for human rights of the poor and discriminated, connected to a clean environment and functioning ecosystems.

维护贫穷和受歧视者的人权，洁净环境和功能性的生态系统

Important to respect the Paris Declaration and Accra Agendas.

- **尊重巴黎宣言和阿拉克行动议程**
